A REVIEW OF NEWS AND EVENTS

FEBRUARY 2011  
Issue #42

## MAYORS MESSAGE

*About the time we can make the ends meet, somebody moves the ends.*  
Herbert Hoover

Well we are already a month into the new year and the cold bleakness of the season will soon give way to spring-time (about 6 weeks away according to the calendar). So far though we have not been hammered by the big snows of last year, but there still is February ahead! Enough about the weather there has been a lot going on in and around town since I last wrote you. I hope the holiday season was all you hoped and I hope you were able to connect (or reconnect) with family and friends. We have begun a new legislative session in Annapolis and all local government (municipal & county) are kind of holding our collective breaths in hope that the devastating cuts in state funding do not occur again this year. Practically speaking (and I am usually the eternal optimist) I think we are in for some more budget balancing from the State on the backs of local governments.

To address the rather dismal fiscal

outlook, your mayor and city council will be meeting with the City Department Heads for our annual retreat at the police station (on Saturday Jan. 29th) to begin work on the new 2011-12 budget. We will have a formidable task. I have asked department heads to hold the line on expenses and not to recommend anything that we absolutely do not need in the way of capital projects/fixed assets. I have also gone on record that I did not want to propose a budget that would include a tax increase. This means we may have to look long and hard at the services we render. I will say more about this later. Next month (February Council Meeting) I will deliver my annual State of the City address. I hope to have some more details by then.

At the January Council Meeting I proclaimed January 10, 2010 as "Marvin Flickinger Day". For those of you who do not know, Marvin is a barber located at 10 E. Baltimore Street and has been in the tonsorial business for 50 years! What an accomplishment! We are grateful for Marvin's service and his active participation and interest in city. So when you

## NOTES FROM THE ZONING OFFICE

Jim Wieprecht, Zoning Administrator / Code Enforcement Officer

It's been several issues since I put any reminders in the Record about Planning, Zoning, or Code enforcement, so I'll drop reminders and updates on several topics.

I suppose as I'm writing this in early January, with the current forecast of a 100% chance of snow tomorrow, it would be appropriate to remind everyone that City Code requires public sidewalks (those proximate to streets) to be cleared of snow or ice within 10 hours of the cessation of a snowfall to allow free and unencumbered passage of pedestrians upon the sidewalks. Last year, with the heavy snowfalls, we did allow extra time to clear sidewalks, but even so the city did have several sidewalks cleared when property owners didn't take care of clearing them, billing property owners for the costs, which can become property liens if not paid. Please don't make this necessary for your property.

I'd like to provide a few other Health and Sanitation, and Code Enforcement reminders, beginning with one for pet owners. If you have a pet, it is your responsibility to clean up after it, both on your own property, and anyone else's. While our health and sanitation code provides language related to property maintenance that may apply to some animal issues, The City has adopted the Carroll County Animal Control Code. The County has contracted the Humane Society of Carroll County to act as the enforcement agent for that code. The animal control ordinance covers essentially everything you'd ever want to know about code related dos and don'ts of

**CITY PROJECT:** The wastewater pumping station and sewer force main project on York Street began in November, and is scheduled to be completed by the end of the summer 2011. The aging pumping station and force main will be replaced. Property owners will be notified in advance of any interruption of service. Please contact Rick Weaver, Public Works Director, at the Taneytown City Office with any questions or concerns you may have.

pet ownership and can be viewed on line at ccgovernment.carr.org. Please contact the Humane Society directly at (410) 848-4810 with animal related concerns. When it comes to animal issues, staff at the Humane Society know what questions to ask, and what information they need to properly document complaints.

Another ongoing code related issue concerns garbage. Garbage should be stored in metal, durable rubber, or durable plastic refuse containers with a capacity of 20 to 60 gallons. Containers should have lids. Containers may be placed in the appropriate location for collection up to 12 hours before the time of collection, and are to be removed from that spot within 12 hours of being emptied to within, or to the rear of the premises until the next scheduled collection time. Please help keep your neighborhood

clean and sanitary by picking up any trash on your property, and ensuring that when putting garbage out for collection day it is in a proper container with a lid to prevent blowing or scattering of garbage. As many recycling containers do not have lids; when placing recyclables out for collection, please do so in a manner that they will not blow or spill out of the container.

Some citizens may not be aware that any vehicle, including towed vehicles like boat or utility trailers and campers or travel trailers, stored outdoors in a residential district must have currently valid tags displayed, even if sitting in a yard or driveway, with or without a cover. Commercial districts have some exceptions, but generally, if a property isn't in use as an automotive related business,

have the opportunity, be sure to stop by and wish Marvin well, and maybe get a "little off the top". We are blessed to have many long time businesses operating in Taneytown, including Pat's Beauty Nook (Roberts Mill Rd), Southern States (Commerce St.), Nationwide Insurance (E. Baltimore St), Crouse Ford (Antrim Blvd) to name just a few. I am sure I may have missed some, but that is not the point. The point of course is that these businesses have and continue to serve our community through good times and bad. Please support ALL our local businesses!

I promised some folks I would keep the comments short this month because of space in the paper but I didn't want to sign off without mentioning Streetscape. Believe it or not construction is winding down; completion of the project is in sight. We anticipate we will be finished by mid June. In mid September we are planning a Big Celebration or should I say Gala, to mark the completion of the project and introduce our new downtown. Stay tuned for the details! The last stages of Streetscape are underway, downtown, (East and West Baltimore St. and Frederick and York St). Parking is a bigger problem than ever. In order to ensure adequate parking for the downtown businesses we will be enforcing parking regulations particularly in the municipal lot next to city hall. If you come to visit and shop (and I hope you do) don't forget to feed the meter. Until next time, stay warm.

## NOTES FROM THE ZONING OFFICE

*Continued from page 2*

there shouldn't be storage of untagged vehicles on the property, and even those of an automotive related use have limits. The term junkyard is used in the zoning chapter regarding properties with untagged vehicles, and junkyards are not permitted in the City. The number of untagged vehicles around the city is substantial. Since October, 24 untagged vehicle concerns have been resolved. Some have had registrations renewed, some moved into garages or storage buildings, some hauled out of the city, and some were impounded. I have to admit that while I'm pleased with this progress; my observation, and I'm sure that of others, is that 24 vehicles is the proverbial drop in the bucket. Over the last couple of months, I've been tackling a handful at a time, mostly in residential areas, combining efforts with the Taneytown Police Department when it becomes necessary to consider impounding a vehicle.

If you're planning to start a building project once the weather warms up, please check with the zoning administrator (a.k.a. me) if you're unsure if your project needs a zoning certificate or a building permit. Most projects we see in residential areas require a City Zoning Certificate or permit, including sheds, fences, decks or porches. If you live in a neighborhood with a home owners' association, please obtain your association approval before applying for a zoning certificate. On commercial properties; signs, renovations, or changes of use also require Zoning Certificates. New commercial activities and some renovation projects may require a site development plan. As always, more detailed information is available by phone (410) 751-1100 ext. 19, or is only a few clicks away at [www.taneytown.org](http://www.taneytown.org).

### END OF STREETSCAPE PARTY

The City of Taneytown is partnering with various community organizations to host "Celebrate Taneytown - End of Streetscape Party", September 17, 2011 and showcase the renewal of spirit of our community. With this event, we hope that we will generate a new awareness of our great businesses, organizations, historical buildings, people and spirit.

During these economic times it is important that we remain dedicated to our local business and community organizations who, through these economically and street project challenging times have continued to give back to our community and people.

That being said, a volunteer committee has been formed and is working on memorable events to highlight "Celebrate Taneytown". As a resident or reader of this circular, you might want to take a small piece of ownership of this great event by contributing your time, money or both to help make this event successful.

One way you can donate is through our "PENNIES FOR THE PARTY". Beginning in February, Mason jars will be placed at participating businesses to collect change to help offset the cost of the celebra-

tion. Another way is to send your tax-deductible donation to: City of Taneytown, c/o The Taneytown Event Fund, 17 E. Baltimore Street, Taneytown, Maryland. A contribution form is enclosed below for your convenience. You will receive a letter acknowledging your donation.

If you have further questions, or wish to volunteer, please do not hesitate to call Nancy McCormick. She can be reached at 410-751-1100 x 20.

I and the citizens of Taneytown thank you in advance for your generosity.

Sincerely,  
James L. McCarron, Mayor  
Matt Parrish, Fundraising,  
Chairperson

### DID YOU HEAR? DO YOU WANT TO HELP?

**CELEBRATE TANEYTOWN  
"THE AFTER STREETSCAPE PARTY"  
SEPTEMBER 17TH**

The noise, the dirt and the dust are on their way out. We are already experiencing just a taste of how beautiful it is going to be as the street lights go in, the sidewalks get finished and the bumps in the roads are filled. We want everyone to come out and celebrate on September 17th and many people are already behind the scenes working on the "AFTER STREETSCAPE PARTY". We still need help so please contact Nancy McCormick at City Hall (410-751-1100 or email her at nbmccormick@taneytown.org to have your name added to the email list of dates and times when the committee meets to help plan this Big Event.

We also want your ideas of events you would like to see downtown once Streetscape is done.

Sidewalk sales, jazz bands, 50s dances, artists, just to name a few ideas that are already on the table being looked at for future events.

Please email Bob Mitchell at City Hall rsmitchell@taneytown.org or drop a note in the drop box in front of City Hall with your ideas. What would make you want to come downtown and hang out with friends and family?

A lot of time, effort and money has gone into this much needed face lift for our town and now we want our residents to come out and get to know each other and the businesses in town.

Once that final black top is laid and the lights, flowers, and benches are in place we don't want it to all be in vain. So please if you cannot help but have ideas we want to know. What do you want to see in your town? We look forward to hearing from you.

## TWINCREEKS KENNELS HAPPENINGS

We have made it to yet another great year. So much to look forward to! Hope all are staying warm on these cold winter days.

All the animals here at the kennel have been a real joy. We are having a lot of fun spending time indoors with them where it's warm. They really seem to have just as much fun playing with all of their toys and enjoying the children.

We had a new addition to our kennel last October and she found a new and loving home for Christmas. Although everyone was sad to see this beautiful

little bundle of fur leave, they were grateful she found a great home.

Creating all the new hair styles this holiday season is so much fun, even though some do not enjoy the bubble bath that comes just before, nearly as much.

Jasper & Jasmine spent the entire Christmas and New Year holiday with us. Zoey, Lucy, Lodger and all of the rest were very welcomed visitors. Although it took Lodger a day or so to get used to all of the extra attention, I believe he had a great time visiting.

Also wanted to mention, "Way-To-Go" Taneytown, the two-way traffic again is a pleasant addition for the New Year! Super Job!! As Always...Pam

## BRETHREN SERVICE CENTER - A CARROLL COUNTY TREASURE

Time at the Brethren Service Center in New Windsor is a very pleasant and rewarding experience, one to be cherished and fully enjoyed for a tour, a meal, a meeting, a volunteer day or fair trade shopping.

Comprised of 26 acres, the Brethren Service Center has been helping people in need for over 65 years. It includes six organizations that work in areas of relief and development, disaster response, social justice, peace education, and hospitality.

Brief descriptions of the programs and services do not do them justice; and the staff cordially invites you to visit to learn more or, better yet, volunteer to enrich your own life as you serve others.

SERRV is a program that brings beautiful fair trade handcrafts and delicious food items from around the world, striving to alleviate poverty and empower

communities. The SERRV Store is open to the public Tuesday through Saturday, 9:30 to 5:00.

New Windsor Conference Center, "a quiet place to get things done," has 12 conference rooms and 72 lodging rooms avail-

able for meetings, retreats, special events and banquets for groups and individuals.

Brethren Disaster Ministries supports coordinated relief efforts, includ-

ing repairing and rebuilding homes for disaster survivors and specialized care for children experiencing grief and trauma.

Material Resources Distribution Center makes relief supplies available around the world on behalf of numerous non-profit and denominational organizations.

On Earth Peace is dedicated to living out the biblical heritage of peace and

conflict resolution.

## TANNER'S TOUCH

As you may already know, Tanner's Touch is a local, non-profit organization under the Community Foundation of Carroll County. This year, we will be holding our 2nd Annual Valentine's Day Gala on February 12, 2011 at The Antrim 1844 in Taneytown, MD. I am contacting you on behalf of the Tanner's Touch fundraising team to request your support in the form of a tax-deductible donation by sponsoring our event (see details below), an item for our silent auction or an item for our guest's gift bags.

For those of you who are not familiar with our organization, Tanner's Touch sponsors events to raise money for local children who have been diagnosed with cancer and pediatric cancer research at Johns Hopkins Hospital. My son, Tanner, was diagnosed with cancer at age 3. After 42 weeks of chemo, 25 radiation treatments, numerous stays in the hospital and many pinches and pokes, Tanner is now 4 yrs old and cancer free! Because

of the love and support that was provided to our family during our rough journey, we have decided to give back to the community.

I am asking you to help us out this year by giving a tax-deductible donation of your choice. I know this has not been an easy year for many businesses or families, so if you are able to contribute, we would be very grateful.

If you require additional information about Tanner's Touch, please see the contact information below or visit us at: [www.tannerstouch.com](http://www.tannerstouch.com).

Please see the attached document for the sponsorship/donation opportunities available for the 2011 Valentine's Day Gala.

The event is open to the public and the tickets are \$50 per person. If you would like to attend, please see the contact information below.

Thank you for your consideration. Tanner's Touch couldn't do it without the generosity of donors like yourself.

## TANEYTOWN FARMERS' MARKET

Let me introduce myself. I am LaVerne Sokolowski. I will be the new Market Manager for the Taneytown Farmers' Market.

We have had an on and off market for some years, and with the end of Streetscape, are bringing the market back - bigger and better. Now, in 2011 the Main Street will be completed and ready for new business and a new market.

The market will be held on Saturday mornings, June thru Sept. (Labor Day weekend), from 9:00am to 12 noon.

In 2011 we will not be charging a fee for space. The location will be Me-

morial Park, located on Rt. 140 in Taneytown.

We want our vendors to grow their own produce. We believe in supporting our agriculture and local farmers.

I will be putting together a more detailed description and market guide in the next few weeks and will be sending out a mailing. If you are interested please let me know so I may put you on the list.

I can be reached at: Ltsoko@comcast.net or 443-918-8100. Please let me know what you would want to sell at the market.

Thank you, will wait to hear from you.

## Use Your *Home* to Stay at *Home*

If you're a homeowner age 62 and older and find it hard to cover your everyday expenses, a MetLife Bank reverse mortgage may be able to help you.

With a reverse mortgage, you can:

- > Continue to live in and own your home as long as you continue to be responsible for paying property taxes, homeowner's insurance, and maintenance of the home as your primary residence
- > Tap into the equity you've built in your home to pay for the things you need
- > Make no monthly mortgage payments—the loan is not due until the last borrower permanently leaves or sells the home\*

At MetLife Bank, we're dedicated to helping our customers maintain their financial independence, so they can focus on what's most important in their lives. Should you decide that a reverse mortgage is right for you, I will work with you through every step of the loan process.
